THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY. If you have any questions regarding this notice please contact:

Serenity Health Center
835 Oakley Seaver Dr.
Clermont, FL. 34711 (Effective date November 14, 2008)

WHO WILL FOLLOW THIS NOTICE:

This notice describes our practice's privacy practices and that of:

- Any physician or health care professional authorized to enter information into your medical chart.
- All departments and units of the practice.
- All employees, staff, and other personnel.
- All these individuals, sites and locations follow the terms of this notice. In addition, these individuals, sites, and locations may share medical information with each other or with third-party specialists for treatment, payment, or office operations purposes described in this notice.

OUR PLEDGE REGARDING MEDICAL INFORMATION

We understand that medical information about you and your health is personal. We are committed to protecting medical information about you. We create a record of care and services you receive at our office. We need this record to provide you with quality care and to comply with certain legal requirements. This notice applies to all of the records of the care generated by our office.

This notice will tell you about the ways in which we may use and disclose medical information about you. We also describe your rights and certain obligations we have regarding the use and disclosure of medical information.

We are required by law to:

- Make sure that medical information that identifies you is kept private;
- Give you this notice of our legal duties and privacy practices with respect to medical information about you; and
- Follow the terms of this notice that is currently in effect.

HOW WE MAY USE AND DISCLOSE MEDICAL INFORMATION ABOUT YOU

The following categories describe different ways that we use and disclose medical information. Not every use or disclosure in a category will be used. However, all of the ways are permitted to use and disclose information will fall within one of the categories.

- **For Treatment:** We may use medical information about you to provide you with medical treatment or services. We may disclose medical information about you to the practice's office personnel who are involved in taking care of you in the office and elsewhere. We may also disclose medical information about you to people outside our office who may be involved in your care after you leave the office, such as family members or others we use to provide services that are a part of your care provided you have consented to such disclosure. These entities include third party physicians hospitals, nursing homes, pharmacies, or clinical labs with whom the offices consults or makes referrals.
- **For Payment:** We may use and disclose medical information about you so that the treatment and services you receive at our office may be billed to and payment may be collected from you, an insurance company, or a third party. For example, we may need to give your health plan information about procedures you received at the office so your health plan will pay us or reimburse you for the services. We may also tell your health plan about a treatment you are going to receive to obtain prior approval or to determine whether your plan will cover the treatment.
- **For Healthcare Operations:** We may also use and disclose medical information about you for medical office operations. These uses and disclosures are necessary to run our office and make sure that all patients receive quality care. For example, we may use medical information to review our treatment and services and to evaluate performance of our staff in caring for you. We may also combine medical information about many patients to decide what additional services the office should offer, what services are not needed, and whether certain new treatments are effective. We may also disclose information to our physicians, staff, and other office personnel for review and learning purposes.
- **Appointment Reminders:** We may also use your information to contact you as a reminder that you have an appointment for treatment or medical care in our office. You may be contacted by any of our personnel via phone, mail, text, or email.
- **Treatment Alternatives:** We may use your information to tell you about possible recommended treatment options or alternatives that may be of interest to you.
- **Individuals Involved In Your Care or Payment For Your Care:** We may release medical information about you to a friend or family member who is involved in your medical care provided you have consented to such disclosure. We may also give information to someone who helps pay for your care. In addition, we may disclose information about you to an entity assisting in a disaster relief effort so that your family can be notified of your condition, status and location.
- **As Required By Law:** We will disclose medical information about you when required to do so by federal, state, or local law.
- **To Avert a Serious Threat to Health or Safety:** We may use and disclose medical information about you when necessary to prevent a serious threat to your health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat.
- **Health Oversight Activities:** We may disclose medical information to a health oversight agency for activities authorized by law. The oversight activities include for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the healthcare system, government programs, and compliance with civil rights laws.

Jan 2, 2023

- **Lawsuits and Disputes:** If you are involved in a lawsuit or dispute, we may disclose medical information about you in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.
- **Law Enforcement:** We may release medical information if asked to do so by a law enforcement official in response to a court order, a subpoena, warrant, summons, or similar process. To identify or locate a suspect, fugitive, material witness, or missing person about the victim of a crime if under certain limited circumstances, we are unable to obtain the person's agreement about a death we believe may be the result of criminal conduct, about criminal conduct at the office, and the person's emergency circumstances to report a crime, the location of the crime or victims, or the identity, description or location of the person who committed the crime.
- **Coroners, Medical Examiners and Funeral Directors:** We may release medical information to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person to determine the cause of death. We may also release medical information about patients of the office to funeral directors as necessary to carry out their duties.

YOUR RIGHTS REGARDING MEDICAL INFORMATION ABOUT YOU

You have the following rights regarding medical information we obtain about you:

- **Right to inspect and copy:** You have the right to a copy of your medical information that may be used to make decisions about your care. To inspect and/or receive a copy of medical information that may be used to make decisions about you, you must submit in writing to Serenity Health Center. If you request a copy of the information, we may charge you a minimum fee of \$50.00 to cover the costs of copying and mailing or other supplies associated with your request. We may deny your request to inspect and copy in certain limited circumstances.
- **Right to Amend:** If you feel that the information we have about you is incomplete or incorrect, you may ask us to amend the information. You have the right to ask for an amendment for as long as the information is kept by our office. To request an amendment, you must request in writing to your physician. In addition, you must provide a reason that supports your request. We may refuse to amend your record under limited circumstances.
- **Right to Accounting Disclosures:** You have the right to request a list of disclosures we made of medical information about you. To request this list you must submit a request in writing to Serenity Health Center and denote a time period not to exceed seven years. The first request will be free of charge, but additional lists may apply fees to be determined before any charges will be applied, at which time you may retract your request before any costs are incurred.
- **Right to Request Restrictions:** You have the right to request restrictions or limitations on the medical information we use to disclose about you for treatment, payment, or healthcare operations. You also have a right to request a "limit" on the medical information we disclose about you to someone who is involved in your care or payment for your care, like a family member or friend.
 - **We Are Not Required to Agree to Your Request:** If we do not agree to comply with your request, and only do so if the information is needed to provide you with emergency treatment. You must submit, in writing to Serenity Health Center citing: (1) which information you wish to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply.
- **Right to Request Confidential Communications:** You have the right to request that we will communicate with you about medical matters in a certain way or at a certain location. For example, you may request that we only contact you at work or by mail. Please submit your request in writing. We will not ask for a reason for your request and we will accommodate all reasonable requests.
- **Right to a Paper Copy of this Notice:** You have the right to receive a paper copy of this notice. You may ask us to give you a copy of this notice at any time. You may request in writing to Serenity Health Center that a copy be mailed to you.
- **Mental Health Exemption:** As per HIPAA Privacy Rule Mental Health Care providers who specialize in Psychiatry and Mental Health are specifically exempt from disclosing patient records to patients directly. The Privacy Rule definition of Psychiatric notes are "notes recorded in any medium" by a healthcare provider who is a Licensed Mental Health Care Provider, Therapist, or Psychiatrist. We can, however, send your medical records, upon written request and with proper signed Medical release form stating Facility, Physicians name, and Fax number, to the medical provider of your choice.

CHANGES TO THIS NOTICE

We reserve the right to change this notice. We reserve the right to make the revised or changed notice effective for medical information we already have or may obtain in the future. We will post a current copy of this notice in the office. The notice will contain on the first page, in the top left corner, the effective date. In addition, each time you we will offer you a copy of the current notice in effect.

COMPLAINTS

If you believe your privacy rights have been violated, you may file a written complaint with Serenity Health Center, 835 Oakley Seaver Driver, Clermont, FL. 34711. Or with the Office of Civil Rights within the Department of Health and Human Services by visiting their website at www.hhs.gov/ccr/hipaa. All complaints must be submitted in writing. You will not be penalized or retaliated against for filing a complaint.

OTHER USES OF MEDICAL INFORMATION

Other uses and disclosures of medical information not covered by this notice or the laws that apply to us will be made only with your written permission. If you provide us permission, you may also revoke that permission at any time, in writing. If you revoke your permission, we will no longer use or disclose information about you for reasons covered by your written authorization. You understand that we are unable to take back any disclosures we have already made with your permission, and that we are required to retain our records of the care that we provided to you.
